Ministry of Planning, Lands, Agriculture, Housing & Infrastructure
Cayman Islands Government

FOR IMMEDIATE RELEASE

Temporary Suspension of DVDL Driving Tests and Vehicle Inspections Due to Inclement Weather

George Town, Grand Cayman – 25 November 2026 – The Ministry of Planning, Lands, Agriculture, Housing & Infrastructure (MPLAHI), in conjunction with the Department of Vehicle and Drivers' Licensing (DVDL), advises the public that, due to inclement weather and prevailing road conditions, all practical driving tests and vehicle inspection services will be suspended today, Wednesday, 25 November 2026.

This precautionary measure has been taken in the interest of public and staff safety, following continued heavy rainfall and thunderstorms, with a Flash Flood Warning in effect for Grand Cayman.

As a result:

- All practical driving tests scheduled for today will be postponed.
- DVDL vehicle inspection pits will remain closed for the remainder of the day.

Further updates regarding the resumption of services will be communicated as necessary.

The Department apologises for any inconvenience this temporary suspension may cause and thanks the public for their patience and understanding.

Motorists are encouraged to exercise caution when travelling, avoid flooded roadways and remain informed of weather updates issued by the Cayman Islands National Weather Service.

Customers are reminded that many DVDL services, including the renewal of vehicle and driver's licences, can be completed online by visiting www.dvdl.gov.ky.

About the Ministry of Planning, Lands, Agriculture, Housing & Infrastructure (PLAHI)

The Ministry of Planning, Lands, Agriculture, Housing & Infrastructure (MPLAHI) is responsible for advancing national priorities across planning, lands, agriculture, housing, and infrastructure in the Cayman Islands.

Mission

To develop and implement integrated policies, programmes, and infrastructure solutions that enhance land use, strengthen food security, improve housing access, and support climate-resilient development, guided by innovation, equity, connection, and integrity. Through strategic leadership and collaboration, the Ministry works to deliver sustainable outcomes that support economic resilience, environmental stewardship, and long-term prosperity for the people of the Cayman Islands.

About the Department of Vehicle & Drivers' Licensing (DVDL):

The Department of Vehicle and Drivers' Licensing (DVDL) is responsible for regulating and licensing motor vehicles and drivers in the Cayman Islands. Through its three locations, DVDL provides services such as vehicle inspections, registrations, drivers' license testing and renewals. The Department is committed to delivering efficient, customer-focused service while supporting road safety and compliance with the Traffic Act.
